About us

Ketco Property Services are a well established company with an excellent reputation for delivering services that exceed our customers' expectations.

We provide a range of property services to social housing, commercial and private sectors.

By focussing on voids, we work hard to ensure properties are back to lettable standards within the shortest possible time through our fast track service of a maximum of 15 days (key out to key in). We call this our **EXCEL** approach.

We also offer a large range of specialised services designed to meet our customer's needs

Building Services

We undertake small scale building work and provide building services:

Electrical Services

We undertake all electrical work, which ranges from lighting, switches, security systems, etc. All work is carried out professionally by our fully trained NICEIC staff

Plumbing & Gas Services

We undertake all plumbing including, designing new systems, and maintenance to existing systems.

Bricklaying

We deliver excellent quality workmanship not just with bricks but also stonework, glass block work and also flint work

Plastering Services

Plastering work is carried out by our experienced tradesmen which are able to carry out plastering, from sand and cement rendering, all the way through to finishing skim.

Carpentry Services

We employ professional carpenters who can carry out a wide variety of tasks, such as joinery (doors and door frames, skirting, wooden stair cases), wooden roofing, joist work, etc).

Glasswork & Glazing Services

We undertake all types of glasswork and double glazing contracts. We also have the capabilities of installing glass doors and blocks.

Painting & Decorating Services

We provide all types of preparation, decoration and specialist finishes including marbling and gilding (gold leafing),
